

**Hillary Vallejo is the wife of Capt. Robert Vallejo
Who was one of the men from 2/149 in Grand Prairie
(Part of our adopt-a-unit group) that was killed in
The recent Chinook helicopter crash in Iraq.**

**She is expecting their first child (a son to be Robert Vallejo III
Who is to be born in late January). Capt Vallejo thought that
they were having a daughter but a sonogram taken after his
death confirmed a son.**

**We are co-hosting the baby shower with the 2/149 FRG and it
will be held at the post on November 8 from 1-3 PM.
The Aux ladies will be providing the food for this event
and the 2/149 will be providing the decorations.**

**As an aside: The Ladies Aux are giving her a gift card
and then each lady who attends will also bring a small gift.
If the men want to be included (as he was a brother in the
Military and paid the highest price) they can either
bring gifts or just all go together and get her a gift card
(Her choice would be either Babies R US or Pottery Barn Kids or Target).
Thanks for your help.**
