It's Parade Time Again!

We're just a few weeks removed from winter snows, but it's time to start thinking about the July 4th Parade in Arlington!

The parade committee has already been hard at work planning the 46th edition of the parade. This year, we've added some great new members to the committee who are working with the "old timers" to make sure this year's parade is the best ever!

We look forward to seeing the same combination of parade participants - new faces and old friends - for 2011!

June Owens, Association President

From the Editor:

I'm happy to be back for my second year on the Arlington July 4th Parade Committee. What a great group of folks to work with to bring this patriotic spectacle to the people of the Metroplex.

It was great to see so many people converge on Arlington for the Super Bowl last month, but I think the July 4th Parade might be a better show! For sure, we will have places for everyone to sit!

I look forward to seeing everyone at the first general meeting on Thursday, March 24th.

Don't miss it!

Mack McKee, Newsletter Editor and Association Vice President
