Comrades: I want to bring you up to date on services for Dave.

He is scheduled to be interned at DFW National on Friday, December 28th at 10:00 hours.

Following that, the Elks will hold a funeral memorial around noon. Time will vary, depending on time and travel for people coming from DFW National.

After the Memorial, the Elks will host everyone for light snacks and finger food.

I would like to make sure that every member of Post 60 is invited to the Lodge for the Service and the refreshments.

To our fallen comrade,
